SECTION 4 ATTACHEMENTS & DECLARATION[4]

(i) Restriction on the use of Hazardous Substances

Regulation 11(2)(a) of the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of 2014)* requires that the producer attach a signed declaration to the application for registration to confirm that the materials and components of specified vehicles put on the market in the State, of that producer's brand or for which that producer has responsibility, do not contain lead, mercury, cadmium or hexavalent chromium other than in the cases specified in Regulation 26 of the aforesaid Regulations and Annex II of the *Directive*[5].
It is recommended that the signatory of this declaration be either the Chief Executive or Chairperson of the company or, the owner of the business if not a company.

(ii) Implementation Plan

A three-year implementation plan shall accompany the producer's application for registration. The plan should specify the measures that the producer intends to take in order to comply with the requirements of the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of 2014),* including in particular the measures which the producer intends to take to ensure the appropriate treatment and recovery of end-of-life vehicles, of that producer's brand or for which that producer has responsibility, in the functional area of Tipperary County Council.
The producer shall confirm that the implementation plan will be made available free-of-charge to any person who so requests it in accordance with Regulation's 17(3) and 17(4) of the aforesaid Regulations.

(iii) Competition Law

In accordance with Regulation 11(2)(c), the producer shall provide a written undertaking that the producer, for the purposes of complying with the provisions of the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of*

[4] An application for registration shall have as attachments written declarations in respect of compliance with the restriction on the use of hazardous substances, adherence to competition law, capacity of the producer's national collection system and annual turnover. In addition, a three-year implementation plan must accompany the application for registration in accordance with the requirements of article 11(2)(b) of the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of 2014)*.

[5] "*the Directive*" means the European Parliament and Council Directive 2000/53/EC of 18 September, 2000 on end-of-life vehicles as amended by Commission Decision 2002/525/EC of 27 June 2002 and Commission Decision 2005/438/EC of 10 June 2005 and Council Decision 2005/673/EC of 20 September 2005 and Commission Directive 2011/37/EU of 30 March 2011 and Commission Directive 2013/28/EU of 17 May 2013

2014), will not make arrangements or enter into agreements with any economic operator –

(a) which are prohibited by section 4(1) of the *Competition Act 2002 (No. 14 of 2002)*, or as appropriate, by Article 81 of the *Treaty of Rome*, or as appropriate,

(b) act in a manner prohibited by section 5(1) of the *Competition Act 2002 (No. 14 of 2002)*, or as appropriate, or by Article 82 of the *Treaty of Rome*.

It is recommended that the written undertaking be signed by either the Chief Executive or Chairperson of the company, or the owner of the business if not a company.

(iv) Capacity of Producer's National Collection System

A producer shall submit a written declaration to confirm that the authorised treatment facilities that form a part of the producer's national collection system in the functional area of Tipperary County Council have sufficient capacity to treat the actual number of end-of-life vehicles that are likely to arise in the functional area of Tipperary County Council over the period to which the application for registration applies.
It is recommended that the signatory of this declaration be either the Chief Executive or Chairperson of the company, or the owner of the business if not a company.

(v) Registration Fee

Under Regulation 11(2)(e) of the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of 2014)*, a registration fee shall accompany the application for registration to Tipperary County Council. The prescribed registration fee under the aforesaid Regulations is -

(a) €1,000 in respect of a producer whose annual turnover was less than or equal to €50,000,000, or as appropriate,

(b) €2,500 in respect of a producer whose annual turnover was greater than €50,000,000 but less than or equal to €100,000,000, or as appropriate,

(c) €6,000 in respect of producers whose annual turnover was greater than €100,000,000.

A producer's annual turnover is referenced to the preceding twelve-month period or to the projected turnover for the first twelve months of business if the producer is a new entrant to the market.
A certificate from an independent person, who is qualified to be an auditor, shall accompany the application for registration to certify the annual turnover of the producer.

Under Regulation 11(6)(d) of the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of 2014),* for the purpose of an application for registration, a registration fee of €1,000 shall apply to a producer –

(I) whose annual turnover was less than or equal to €1,000,000 and

(II) who placed less than 10 specified vehicles on the market in the State

in the preceding twelve month period and whose registered office if that producer is a company, or principal place of business if that producer is not a company, is situated in the functional area of Tipperary County Council.

Please note that for a producer to avail of Regulation 11(6)(d) of the aforesaid Regulations, that producer must demonstrate that he or she has entered into an agreement, or made arrangements, with another producer in order to collectively fulfil his or her obligations under the *European Union (End-of-Life Vehicles) Regulations 2014 (S.I. No. 281 of 2014).*
