*Regulation 59 of the Road Traffic (Construction, Equipment and Use of Vehicles) Regulations
2003 (as amended)*

*Please read these instructions in advance of completing the application form
on pages 3 and 4*

Procedure relating to application for abnormal loads

Where it is proposed to carry a load, which is such that the gross weight or axle weights are in excess of the legal limits or the dimensional or projecting limits are breached, a permit must be obtained from the relevant local authority or authorities through whose functional area(s) the load will be carried.

Tipperary County Council requires that the following procedure is adhered to when applying for a permit for an abnormal load:

1. Before making an application, the Commissioner of An Garda Síochána must be informed and given a copy of the application form **at least 4 CLEAR WORKING days before the Application is submitted to the Local Authority. Email traffic_abloads@garda.ie**
2. Completed application form must be submitted **at least 4 clear days** prior to movement of load.
3. Any permit issued is on the basis of the Vehicle Registration Number and is not transferable to any other Vehicle Registration Number.
4. **The applicant must contact TII's Motorway Traffic Control Centre on email abnormalload@mtcc.ie a minimum of 72 hours (3 days) in advance of the journey, where the load width is greater than 3m, to obtain clearance to travel on the Motorway/National Dual Carriageway Network. The Motorway Traffic Control Centre will confirm if any roadworks are planned along the route that will impact the abnormal load journey.**
