			<p>The "preliminary assessment and quantification" of vacant sites in your local authority area, which all local authorities were obliged to undertake, according to Circular PL7/2016 issued by the Department of Environment, Community & Local Government. This states (at page 6), that local authorities must "(i) undertake a preliminary assessment and quantification of the number and location of potential vacant sites in their functional areas." The report by the Chief Executive "recommending designated areas in the development plan in which the levy could be applied" which the Circular also states must be written [Circular p. 6, (ii)] and presented to elected members. Documents showing the list of sites to be placed on the vacant site register, post verification that the sites were vacant during the previous year, as required by the Circular p. 6, (v) (if different from (i) above). A schedule of registered owners of vacant sites included in the vacant sites register to whom notices were issued (Circular p. 7, (viii)). Any communications (by way of email or written memos) and records (minutes etc) of meetings between the Department and your local authority pertaining to the monitoring of the implementation of the levy</p>
