Packaging Type (Tonnes)	Received	Gross Packaging Supplied	Exported	Other Label	Destined for Reuse	Manu Brand Packaging Supplied	On Products Imported & Supplied	On Products Pack Filled	Waste Accepted (Acc)/ Collected (Coll)/ Purchased (Pur) for Recycling			Waste Accepted (Acc)/ Collected (Coll)/ Purchased (Pur) for Recovery		
									Acc/ Coll	Pur	Total	Acc/ Coll	Pur	Total
Glass														
Plastic														
Paper & Fibreboard														
Steel Inc Metals														
Aluminium														
Wood														
Textiles														
Composites														
Other														
Totals														

- (a) Packaging received means all packaging and packaging material (primary, secondary or tertiary) received onto the premises named in Section 5 (including imported packaging material, packaging associated with imported goods and pack-filled packaging)
- (b) Gross Packaging Supplied means packaging received **less back-door waste and/or packaging not supplied (kept in warehouse)**. The levy applied by the LA will be on the manufacturing brand packaging supplied when packaging exported, packaging other label & packaging destined for reuse do not apply
- (c) Packaging exported means packaging material and packaging where such material or packaging is supplied by, or used in the supply of products by, that producer to persons outside of the State
- (d) Other Label means packaging on product that will have the name of the store where the product will be sold rather than the name used by the major producer
- (e) Packaging destined for reuse means packaging which has been conceived and designed to accomplish within its life cycle, a minimum of two trips or rotations and which is subject to operations by which it is refilled or used for the same purpose for which it was conceived, with or without the support of auxiliary products present on the market enabling the packaging to be refilled (e.g. milk bottles, beer kegs etc) (See Regulation 6)
- (f) Manufacturing brand means where a manufacturer markets a good or family of goods under its own brand name(s)

Packaging supplied means packaging, packaging material and packaged goods (primary, secondary and tertiary) supplied at and/or from the premises named in Section 5. "Supply" in relation to packaging material, packaging and packaged products *includes* in the course of business, to provide in exchange for any consideration other than money and to give as a prize or otherwise make a gift

Manufacturing brand packaging supplied is a combination of the above

A levy of €15 per tonne subject to a minimum of €500 and a maximum of €15,000 shall apply to packaging material and packaging supplied from the producer's premises placed onto the Irish market. A producer categorized as a manufacturer brand packaging supplier is levied on this packaging type only

- (g) Products imported and supplied means quantity of packaging imported and manufacturer brand packaging supplied as reported by major producer
- (h) On products pack filled means a producer who puts products into packaging for the purpose of supply

(g) and (h) above are the baseline for recovery and recycling targets for a self-complier and relate only to manufacturing brand packaging supplied

- (i) Waste accepted/ collected/ purchased for recycling, for the purpose of fulfilling obligations under Regulation 11 of the Packaging Regulations i.e. recovery and recycling targets for major producers
- (j) Waste accepted/ collected/ purchased for recovery, for the purpose of fulfilling obligations under Regulation 11 of the Packaging Regulations i.e. recovery and recycling targets for major producers

SECTION 12

VALID APPLICATION FOR REGISTRATION

A valid application for registration made in writing to **Tipperary County Council** shall have the following items enclosed:

- (i) Three-year implementation plan
- (ii) Relevant fee

(i) **Three-year implementation Plan**

A three-year implementation plan shall accompany the major producer's application for registration with **Tipperary County Council**. This plan should specify the measures that the major producer intends to take in order to comply with the requirements of these Regulations, including the steps which the major producer intends to take to prevent or minimise packaging waste. The plan relates to the overall activities of the major producer within the **Local Authority Area of Tipperary** and shall be made available on request to any person, free of charge.

In addition, the major producer shall fix and maintain a notice in a conspicuous position that is clearly visible to members of the public, within one metre of each entrance to each premises, a notice complying with the requirements specified in Part 2 of Schedule 2 of the Regulations.

The wording for this notice is provided in [appendix 1](#).

Please refer to document titled - [Three Year Implementation Plan](#)

(ii) **Registration Fee**

A registration fee must accompany the application for registration with **Tipperary County Council**. The prescribed registration fee is as follows -

- €15.00 per tonne of packaging material and packaging placed on the market from the major producers premises in the 12 month period prior to the date of this application. Subject to a minimum of €500 and a maximum of €15,000 per premises subject to Regulation 14(6) & 14(7).

REGISTRATION FEE ENCLOSED:

€

12.1 ADDITIONAL OBLIGATIONS ON MAJOR PRODUCERS

12.1.1 Fix and maintain in a conspicuous position and in such a manner as is clearly visible to members of the public, within one metre of each entrance to each premises at or from which the major producer supplies packaging material, packaging or packaged products, a notice complying with the requirements specified in Part 1 of Schedule 2. The wording for this notice is provided in **appendix 2**.

12.1.2 Provide facilities at each premises for the acceptance, segregation and storage of packaging waste in accordance with these Regulations;

12.1.3 Provide facilities at each premises specified whereby customers may remove, segregate and deposit packaging from products or substances purchased at the premises;

12.1.4 Accept from any person, free of charge between the hours of 9.30 a.m. to 5.30 p.m., each Monday to Friday, at any premises any packaging waste relating to packaging material, packaging or packaged products of a type or brand supplied by that major producer; and

12.1.5 Within a week of being requested so to do, collect, or arrange for the collection of, from any producer to whom the major producer supplies packaging material, packaging or packaged products, any packaging waste relating to packaging material, packaging or packaged products of a type or brand supplied by the major producer.

12.1.6 During the months of March and September in each calendar year, a major producer shall -

(a) Publish in 1 or more newspapers circulating in the functional area of **Tipperary County Council** in which its premises is situated a notice complying with the requirements of Part 5 of Schedule 2. The wording for this notice is provided in **appendix 3**.

Note: The major producer shall provide copies of all notices published to **Tipperary County Council** within 10 days of the date of publication of such notices.

TIPPERARY COUNTY COUNCIL WILL BE NOTIFIED OF ANY CHANGES TO THE INFORMATION SUPPLIED IN THIS FORM. I HEREBY DECLARE THE INFORMATION AND PARTICULARS SUPPLIED ON THIS FORM TO BE CORRECT AND TRUE.
