Vapour Recovery Assessor Stage I(b):

The following information is required in order determine suitability to become an Approved Assessor as defined under the Air Pollution Act, 1987 (Petroleum Vapour Emissions) Regulations, 1997:

- Detailed proposals regarding the tests you will undertake to show that an installation will comply with the above regulation.
- Details and qualifications of the person(s) in your organisation who will carry out these tests.
- Confirmation that such person shall not have had a professional business or commercial relationship, with the applicant for a certificate of testing, for a period of five years previously.
- Confirmation that such person, as an assessor will comply with all the requirements set down in the Air Pollution Act, 1987 (Petroleum Vapour Emissions) Regulations, 1997.
- Details of your level of Professional Indemnity Insurance.
