3. ASSESSMENT

a. *Site Location*

The application site is on the grounds of Kickham Barracks, Dillon Street, Clonmel, Co. Tipperary. It includes an adjoining public car park to the east of the barracks that is accessed off Davis street.

b. Relevant Planning History

08/550091 to demolish the existing commercial buildings and construct 17 No. two-storey dwelling houses (mix of two and three bedrooms in three separate terraces), to refurbish and extend the existing office block at the front including all associated site development works – Refused

Under Class 6 of Schedule 2, Part 2, advertisements relating to any institution of a, educational... character, situated on the land on which any such advertisement is exhibited are exempt subject to conditions set out above.

In this case, two signs are proposed where only one is permitted. The size of the signs, 1.5 sq m and 4.5 sqms respectively exceed the 0.6 sqm size threshold.

iii) Is the exemption restricted under Article 9

The restrictions set out under Article 9 are not relevant in this instance.

iv) Requirement for Appropriate Assessment (AA) and Environmental Impact Assessment (EIA)

The subject site is located c. 310 ms from the Lower River Suir SAC, 10.2 kms from the Nier Valley SAC and 11.5 Kms from the Comeragh mountains SAC.

The proposed development is located within an urban area and comprises of the erection of four signs.

Having regard to:

- the small scale nature of the development,
- the location of the site is a serviced urban centre,
- the location of the development relevant to the closest European site (lower River Suir,
- The intervening land uses between the subject site and the SAC

it is considered that the proposed development would not be likely to have a significant effect individually, or in-combination with other plans and projects, on the Natura 2000 network and appropriate assessment is not therefore required.

The proposed development has been subject to a preliminary examination to determine the requirement for EIA. EIA is not required in respect of the development. See attached.

4. RECOMMENDATION

A question has arisen as to whether the erection of 4 signs at Tipperary FET College, North Block, Kickham Barracks, Dillon Street, Clonmel, Co. Tipperary is development and if so, is it or is it not exempted development.

Tipperary County Council, in considering this referral, had regard particularly to -

- (a) Sections 2, 3, 4 and 57 of the Planning and Development Act, 2000, as amended
- (b) Articles 6 and 9 of the Planning and Development Regulations 2001 (as amended),
- (c) Class 6 and Class 13 of Part 2 of Schedule 2 of the said Regulations 2001;
- (d) the planning history of the site
- (e) and documentation submitted to the Planning Authority.

The Planning Authority has determined that the placing of the information signage on the boundary wall of the Davis Street Car Park and on building within Kickhams Barracks constitutes advertisement within the meaning of Section 2 (1) of the Planning and Development Act, 2000, as amended, which would result in the structure becoming used for the exhibition of an advertisement, and the use of the land would, therefore, materially change, and constitute development, in accordance with section 3 (2) (a) of the Planning and Development Act 2000 (as amended).

The placing of the signage advertising the ETB building does not come within the exempted development provisions of Class 6, Schedule 2, Part 2 of the Planning and Development Regulations 2001 as more than one sign is proposed and the signs exceed the permitted area.

The placing of signage on protected structures within Kickhams Barracks is also restricted under Article 6(2)(b)(iii) of the Planning and Development Regulations 2001 (as amended).

Accordingly, the Planning Authority has decided that the works proposed constitute “development” and are not “exempted development”.
