Resolutions from Other Local Authorities

10.1 Kerry County Council

That this Council opposes efforts to require people to work until they are 68.

10.2 Kerry County Council

Whilst welcoming the new proposal from An Post to the Post Office Network, I ask that this Council calls on An Post and the Government to seek a new international partner to allow the Post Offices to offer full Banking Services including Current Accounts, Loans and Mortgages.

10.3 Wexford County Council

Given the continued efforts of the Department of Local Government to undermine local authorities and the increased centralisation of power in Ireland, this council calls on the government to establish an independent convention on the future of local government, that will examine powers, autonomy and funding.

In the event of the failure of government to act, this Council calls on LAMA and the AILG to establish such a convention and to seek cross party support.
