- a. Monthly Meeting of Clonmel Borough District held on 16th March 2016

2. Attendance of the Community and Enterprise Directorate

3. Town Centre Initiative (Clonmel/Cahir Scheme) (document circulated at Clonmel Borough District meeting on 16th March 2016)

4. Part 8 - Redevelopment of Cahir Toilets

5. Roundabout Sponsorship Scheme

6. Reports of Officers

7. Chief Executive /Delegated Officers Orders

8. Consideration of the following notices of motion:-

(a) Councillor Pat English

That Clonmel Borough District in conjunction with the O.P.W. provide new grating on the public stream where it enters the culvert at Highfield Grove to ensure the pipe is not blocked at times of flooding.

(b) Councillor Pat English

That Clonmel Borough District provide gates to the rear laneway to Heywood Terrace houses on the Heywood Road to curtail the large amount of anti-social behaviour in this area.

(c) Councillor Pat English

That Clonmel Borough District provide gates to close off the laneway to the rear of houses no 15 to 40 Griffith Avenue, Clonmel to curtail the large amount of anti-social behaviour in the area.

(d) Councillor Catherine Carey

That the play ground in Elm Park be re-opened and the swings and rope bridge be made safe for the children to use.

(e) Councillor Martin Lonergan

In the interest of road safety, that Tipperary County Council re-surface a section of the L3501-4 from the County Bounds at Ballymackee Bridge, Newcastle to the junction with the L7508 with appropriate surface dressing. There have been a number of accidents on this stretch of road. Waterford County Council have re-surfaced their particular stretch to the County Bounds.

(f) Councillor Martin Lonergan

In the interest of road safety, that Tipperary County Council re-surface the hill at Crohan, Newcastle, namely a section of the L-7511-0 with appropriate non slip surface dressing. This section of the road is extremely dangerous and slippery during the winter months.

(g) Councillor Siobhán Ambrose

In the interest of safety that Clonmel Borough Municipal District contacts the Department again seeking funding to upgrade the junction (roundabout) at the Showgrounds Shopping Centre (m&s) to include the provision of a pedestrian crossing with flashing lights on the ground (similar to Cashel town).

(h) Councillor Siobhán Ambrose

That consideration be given for the re-surfacing of the ground around the Elm Park Community Complex (Clonmel Boxing Club) which is in a bad state of repair.

(i) Councillor Siobhán Ambrose

That Clonmel Borough Municipal District seeks an emergency meeting with representatives from the Valuation Office with a view to getting them to come down and re-evaluate Market Place. Given the recent closure of Super value in this area it would seem logical that the premises in this area must now be valued at a lower rate than in Celtic tiger times.

(j) Councillor Martin Lonergan

That the County Council would replace all directional signage on our local roads. In recent months, much of the directional signage has been stolen. As we are entering the tourist season, it is extremely important that signage is replaced as the lack thereof will and is causing a lot of confusion for persons visiting the area.

(k) Councillor Marie Murphy

That Clonmel Borough District would install Life Buoys from the Swiss Cottage to end of Walk at slipway near Ballyheron Wood on both sides of river.

9. Correspondence

10. Votes of Sympathy/Congratulations.

11. Any other business
