Department of Rural and Community Development Community Enhancement Programme – Ring-fenced fund for Men’s and Women’s Sheds

Following discussion with the Irish Men’s Shed Association, the Department of Rural and Community Development (“the Department”) has decided to allocate €0.5m to fund capital equipment or minor capital works in Men’s Sheds. The fund is also open to Women’s Sheds.

This is a ring-fenced fund under the existing **Community Enhancement Programme**¹. The application process is being administered by Local Community Development Committees (LCDCs).

Applications for this funding can be made on this application form. All Men’s Sheds in Ireland that are affiliated with the Irish Men’s Shed Association are eligible to apply. Women’s Sheds are also eligible to apply.

It envisaged that this funding would, in general, be allocated in a relatively equal manner across Sheds that submit valid applications. To provide guidance on what this equates to, the total of €0.5m is approximately €1,300 per existing Men’s Shed. This should be used for guidance only, as not all Men’s Sheds might apply, or some might apply for an amount less than the €1,300, or some might apply for funding for an unsuitable project, or some Women’s Sheds may apply.

¹ The Department operates the Community Enhancement Programme through the Local Community Development Committees (LCDCs). It is a capital grant programme that provides funding to enhance facilities in disadvantaged areas. The Department previously committed to funding of €4.5m for this programme. The €0.5m fund which is ring-fenced for Sheds is in addition to the €4.5m.
