BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. ADDITIONAL INFORMATION

It should be noted that Tipperary County Council has a number of Development Plans and Local Area Plans that set out local development policies and objectives for each area. The authority may therefore need supplementary information (i.e. other than that required in this form) in order to determine whether the application conforms with the relevant Development Plan/Local Area Plan and may request this on a supplementary application form.

Failure to supply the supplementary information will not invalidate your planning application but may delay the decision-making process or lead to a refusal of permission. Therefore applicants should contact the planning authority to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

The planning process is an open and public one. In that context, all planning applications are made available for public inspection and the planning authority publish weekly lists of planning applications received as well as weekly lists of planning decisions.
