Notice of Motion No 1400: submitted by Cllr. Séamus Morris

In the light that the Government has announced 10 million euros for affordable rental schemes across the country as part of their Rebuilding Ireland action plan and the fact that there has been very little uptake on this i am asking that Tipperary County council put the Stream site in Nenagh forward for a pilot affordable rental scheme. The site is fully serviced by roads, sewerage, electricity and water and is owned by the council so it is shovel ready which is favoured by the Government in their search for a full range of housing options. Recent surveys have shown that the private rental market is broken (Threshold) and 80% of first time buyers can't access credit for mortgages (survey by Grenforth finance) and the ridiculously low threshold for council housing are affecting hard working families in Nenagh

Notice of Motion No 1408: submitted by Cllr. Ger Darcy

That this Council erects speed indicator signs at Ardcroney village.

Notice of Motion No 1428: submitted by Cllr. Mattie Ryan

That Nenagh Municipal District provides additional funding to overlay the road surface in Kilcommon village.

Notice of Motion No 1429: submitted by Cllr. John Carroll

That this Council expedite the provision of the long awaited bye-laws to incorporate the amenity areas straddling the River Shannon and within the jurisdiction of the Nenagh Municipal District.

The provision of new bye-laws will give a greater degree of control to the Local Authority and Gardaí in areas such as traffic parking on public roadway, litter control, parking on green areas, overnight parking of camper vans, lighting of bonfires, excess alcohol usage and the exercising of animals at swimming locations and slipways where boats are regularly being launched.

Notice of Motion No 1430: submitted by Cllr. John Carroll

That Nenagh Municipal District suspend vehicle parking charges in Nenagh town for a twelve month period to enable the many struggling businesses to survive and maintain/sustain the significant employment levels created by these long standing businesses who are the heart of Nenagh town.

12. To note Delegated Employee Orders for the Nenagh Municipal District.

13. To consider items of Correspondence.

14. Votes of Sympathy/Congratulations.

15. Any other business.
