**Notice of Motion No 1075 - submitted by Cllr. Fiona Bonfield**

Following on from numerous representations and as a result of representations from local schools can I ask Tipperary County Council to seriously consider looking at again putting a footpath in place that would run from the Day Care Centre down towards the entrance to the Centra Shop in Newport. The children from both the girls primary school and the secondary school walk along here every single day and we also have residents in Mulcair Manor estate where we have over 100 houses that also use this section. There is quite an uneven surface at one particular section of this area as well where some children and older folks have fallen and there is a health and safety concern as well.

**Notice of Motion No 1076 - submitted by Cllr. Fiona Bonfield**

Following on from numerous representations I am asking Tipperary County Council to look at erecting one additional public light just below the entrance to Newport Town AFC club grounds on the main R503 road at Derryleigh in Newport.

This I am asking as numerous parents have been on about how an accident is waiting to happen as it is quite dark here and we have numerous children that walk from the town to the training facilities and visibility is quite bad both for oncoming traffic and also traffic that use the facilities and also for the children themselves.

**Notice of Motion No 1083 - submitted by Cllr. Michael O' Meara**

That Nenagh Municipal area erect public lighting at Kyle School, Borrisokane in the interest of public safety.
