Notice of Motion No 1474: submitted by Cllr. Joe Hannigan

That Tipperary County Council regard the R493 as a regional road of strategic importance, based on the fact that the R493 is the main route on the eastern shoreline of Lough Derg as a North/South corridor, linking the access points to Lough Derg and linking the villages along the route

That Tipperary County Council seek special funding in order to undertake the necessary re-alignment/widening and surfacing where necessary to the R493. Now that the area of Tipperary is part of "Ireland's Hidden Heartlands" such works are necessary to accommodate it as a tourist route together with local traffic.

Notice of Motion No 1489: submitted by Cllr. Mattie Ryan

That Nenagh Municipal District construct a parking area at Bishop Harty School in Ballinree.

Notice of Motion No 1490: submitted by Cllr. Fiona Bonfield

That following on from numerous requests in previous years that Tipperary County Council give a commitment to have a new section of footpath put in place from the Drom Slinne Housing Estate in Portroe to the Cross at Portroe.

A number of residents walk along here everyday both young and old, to the village, and from a health and safety point of view it needs to be seriously looked at. The residents in this estate want some action now on the situation. I would be hoping that our council listen to the concerns of the residents now and give a commitment to them that they will look at this as part of the municipal schedule of works in 2019

Notice of Motion No 1475: submitted by Cllr. Joe Hannigan

That Nenagh Municipal District undertake an audit of the electric car charging points in the District. That Nenagh Municipal District prepare a list of recommended sites for further provision of additional points and liaise with relevant parties to provide such facilities.
